BSC1005: Principles of Biology. 3. Co-requisite: BSC1005L. Description: This course

File Type PDF Bsc 1005 General Education Biology Course Syllabus

is designed to introduce students to the science of life. This survey course will cover a wide range of topics from the molecular components of the cell to the interaction of organisms with their environment. The goal of this course is to familiarize students with diverse components of life and to introduce the major areas of study within the discipline.
