Quoting someone in an essay means using other writers' information either directly or paraphrased to support your argument. Writers are normally advised to acknowledge the sources of such information and should credit the authors by quoting them. One of the basic rules in quoting is that each line should be quoted.

How to Quote Someone in an Essay, Complete Guide
The main quote is enclosed in double quotation marks. The quote within the quote, Do unto others as you would have them do unto you, is enclosed in single quotation marks. (The British convention is the opposite; the main quote would use single quotation marks and the quote within the quote would use double quotation marks.)

How to Quote a Quote? | Grammarly
If you quote more than a few lines from a source, you must format it as a block quote. Instead of using quotation marks, you set the quote on a new line and indent it so that it forms a separate block of text. Block quoting is most common in literary analysis, where detailed analysis of the original text requires you to quote at length.

How to Quote Sources | Introduce, Shorten and Cite Quotes
On an Android phone, tap and hold the message you want to quote until it's selected. Next, tap the left facing arrow to attach the selected message to your new message. Write your reply, and then send your message as normal. Quoting someone in WhatsApp isn't just useful for group messages.

How to Quote Someone In WhatsApp
A block quote is generally accepted as text with 40 or more words. When the time comes to quote more than a line or two, it's important to start a new line and introduce the block quote. You'll want to indent it 0.5 inches on a standard letter size sheet of paper. And here's the most important point.
