Waheed - Goodreads

Nayirrah Waheed has a gift for crafting poetry that is both ethereal and raw. Her work powerfully and beautifully centres on the themes of womanhood, race and identity. Loved this collection and would also highly recommend Salt.

Nejma feels ethereal from cover to cover, a stark difference between the minimalistic style of her first collection.

Nayyirah touches heavily on the constructs of blackness and whiteness, using the sharp contrast of the negative space and the black ink on the pages to do so.
