Extrapolating late style from one book wonders such as Di Lampedusa also stretches the point. And yet incomplete, impenetrable and, as always, arguable Said, paradoxical as it sounds, remains more intellectually stimulating than most comparable critics, and still repays the effort it takes to read him.

Amazon.com: On Late Style: Music and Literature Against ...

We'll consider canonical examples of late style in classical music, including Beethoven's late quartets, Bach's Art of Fugue, and Wagner's Parsifal, alongside late music by Richard Strauss and Igor Stravinsky. We'll explore how the concept has been applied to jazz and popular music, listening to recordings by Coltrane, Billie Holiday, David Bowie, and others.

Late Style: Music, Transcendence, and Catastrophe ...

The subject 'late style' refers to works produced by artists, musicians and authors near the end of their lives. Said has interesting things to observe, examine and discuss about these works, and what he finds is not the obvious -- reflections on mortality, the preciousness of life, fear of death, wonderin This is a posthumously-published collection of essays.

On Late Style: Music and Literature Against the Grain by ...

Edward Said, 'On Late Style' What is 'Late Style'? It's a question that has preoccupied writers and thinkers, from Theodor Adorno, who coined the term in relation to Beethoven's late music, to Edward Said, whose book 'On Late Style' explores the output of artists, writers and composers whose late work is often intransigent and contradictory.

Late Style - The Cross-Eyed Pianist

Late-style music is presumed to have certain internal qualities (such as fragmentation, intimacy, nostalgia, or concision) and to be associated with certain external factors (such as the age of the composer, his or her proximity to and foreknowledge of death, lateness within a historical period, or a sense of authorial belatedness with respect to significant predecessors).

Disability and ““Late Style”” in Music | Journal of ...

Eloquent and impassioned, brilliantly reasoned and revelatory, On Late Style is Edward Said's own great last work. About On Late Style. In this fascinating book, Edward Said looks at the creative contradictions that often mark the late works of literary and musical artists. Said shows how the approaching death of an artist can make its way into his work, examining essays, poems, novels, films, and operas by such artists as Beethoven, Genet, Mozart, Lampedusa, Euripides, Cavafy, and Mann ...

On Late Style by Edward W. Said: 9780375726330 ...

A short collection of essays, on music (mainly) and literature, published posthumously. If you're looking for a short collection of essays on music and literature I'm sure it's pretty good, but if you're looking for a careful, structured argument on late style you may be disappointed.

On Late Style : Music and Literature Against the Grain by ...

Schubert's late music has proved pivotal for the development of diverse fields of musical scholarship, from biography and music history to the theory of harmony. This collection addresses current issues in Schubert studies including compositional technique, the topical issue of 'late' style, tonal strategy and form in the composer's instrumental music, and musical readings of the 'postmodern' Schubert.

Schubert's Late Music edited by Lorraine Byrne Bodley

Late-Romantic and modernist nationalism was found also in British, American, and Latin-American music of the early 20th century. Composers such as Ralph Vaughan Williams, Aaron Copland, Alberto Ginastera, Carlos Chávez, Silvestre Revueltas, and Heitor Villa-Lobos used folk themes collected by themselves or others in many of their major compositions.

20th century music - Wikipedia

By the late 1950s, the Nashville sound became country music's response to continued encroachment of genre by rock artists. This new style emphasized string sections, background vocals and crooning lead vocals in the vein of mainstream popular music, but utilizing production styles and themes seen in country music.

1950s in music - Wikipedia

If music existed in human form, its name would be Jon Batiste. Bandleader of The Late Show with Stephen Colbert for the past six years, founder of the group Stay Human for longer than that, and ...

Jon Batiste, Bandleader of 'The Late Show' and Protest ...

Baroque music, a style of music that prevailed during the period from about 1600 to about 1750, known for its grandiose, dramatic, and energetic spirit but also for its stylistic diversity. One of the most dramatic turning points in the history of music occurred at the beginning of the 17th

Baroque music | Britannica

Baroque music is a style of Western art music composed from approximately 1600 to 1750. This era followed the Renaissance, and was followed in turn by the Classical era. The word "baroque" comes from the Portuguese word barroco meaning misshapen pearl, a negative description of the ornate and heavily ornamented music of this period.

History of Baroque Music and Origins | Music Appreciation

This interdisciplinary collection of essays investigates the concept of 'late style' as a category for addressing art, literature, and music produced either in old age or in the proximity of death. The volume interrogates the assumptions that underpin the idea of 'late style' by way of a critical, comparative examination of the genealogy and philosophical and psychological underpinnings of the concept, and by analysing case studies of writers, artists, and composers to whom a 'late ...
