~~The Sociology of Economic Life. Mark Granovetter, Richard Swedberg, Editors \*. In recent years sociologists have taken up a fruitful examination of such institutions as capital, labor and product markets, industrial organization, and stock exchanges. Compared to earlier traditions of economic sociology, recent work shows more interest in phenomena usually studied exclusively by economists, while at the same time challenging the adequacy of the neoclassical model.Incorporating classic and ...~~

~~The sociology of economic life can also be said to be concerned with resource allocation; and, like economics, it can trace its origins to classical political economy. However, early sociology was very often a critique of the tendencies towards individualism and abstraction within political economy, on which economics subsequently built.~~
